

Cascade Clamps

Cascade Clamps - Founded in Portland, Oregon in 1943, the Cascade Manufacturing Company began as a small machine shop employing only 4 people. Total sales for that year totaled \$60,000. The first recorded sales revenues involved the machining and assembly of stainless steel valves, pipe fittings and other parts. Within five years of operation, the company had stretched to forty staff and their yearly sales volume had increased to three hundred thirty thousand dollars. Now, Cascade is amongst the top international producers within the material handling industry.

Production and design of the company's original hydraulic cylinder paved the way in Cascade's aggressive quest of better business opportunities. During the past 60 years, the material handling trade has matured into a highly complex field and Cascade has proudly performed a part on this growth. Cascade at the moment continues to develop as the leader provider of lift truck accessories and different related products. The company feels assured in their skill in order to continue to lead the way in the business by understanding customer's needs in the future and remaining aggressive in the world market.

In the 1950's, Cascade started designing, manufacturing and selling hydraulic accessories. Manufacturing was completed in 1956 on a brand new office to be able to house all the plant and office operations in Portland, Oregon at the company's present headquarters. After fifteen years of business, total staff reached 180 workers and sales had reached practically 2.3 million dollars.

In the year 1959 in Springfield, Ohio a second manufacturing facility was built. nineteen sixty marked Cascade's preliminary transfer into the international world of the material handling industry while the business established interest in the Netherlands, England, and Australia.

In 1964, the company altered its name to the Cascade Corporation. After that in 1965, the business went public with an initial offering of two hundred thousand shares of common stock. Since then the business has expanded its manufacturing facilities within the continental USA to the locations Warner Robins Georgia to go along with its already present plants in Portland, Oregon and Springfield, Ohio. Cascade merchandise are fabricated worldwide because of lots of subsidiary operations. In the year 1944, a brand new plant was accomplished in Almere, the Netherlands which is Cascade's European head office. This plant is made to be the essential customer service centre.

Continuing to develop, Cascade expanded their product offering further in the year 1996 and 1997 with the remarkable acquisition of 5 corporations, including the worldwide best in blades, the Kenhar Corporation.
