

Nissan Forklift Parts

Nissan Forklift Parts - Nissan prides itself on attaining overall customer satisfaction when their client is enjoying one of their numerous trucks, cars or lift trucks. Nissan Forklift branch is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are fully committed to providing high value and detail-oriented quality values to their customers. Incorporating a rich heritage combined with solid manufacturing principals, Nissan lift trucks provide a few of the best materials handling equipment the industry has to offer.

Nissan Forklifts has recently added a European production warehouse in Sweden to sustain their worldwide lift truck demands. Committed to offering consumer support, the company has four independent manufacturing facilities that allow them to constantly adapt to their clients continually evolving needs by providing a range of progressive ideas and concepts.

Nissan Forklift operations for North and South America is situated in Marengo, Illinois. Home to a team of 350 personnel, they are committed to the design, fabrication, and support of their lift truck products. Utilizing ISO standards (ISO-9001 and ISO-14001 certifications) this permits sectors of the Nissan Forklift Operation to sustain environmental accountability by using techniques and processes that reduce their environmental footprint. These high values remind customers that Nissan operates under the quality seal that their customers insist upon while being an environmentally conscious corporation.

Nissan is quite convinced that any of their customer's queries and customer concerns directed towards them can be fully addressed. Always accessible through their website or by calling 800.871.LIFT, reaching one of their community authorized dealers or even visiting their Midwestern office, Nissan Forklift Corporation is confident you will be impressed with their warmth and dedication.
